# Recombinant Chromogranin A / CHGA (Neuroendocrine Marker) Antibody

Rabbit Monoclonal Antibody [Clone CHGA/1731R]

| Catalog No | Format | Size |
|---|---|---|
| 1113-RBM11-P0 | Purified Ab with BSA and Azide at 200ug/ml | 20 ug |
| 1113-RBM11-P1 | Purified Ab with BSA and Azide at 200ug/ml | 100 ug |
| 1113-RBM11-P1ABX | Purified Ab WITHOUT BSA or Azide at 1.0mg/ml | 100 ug |

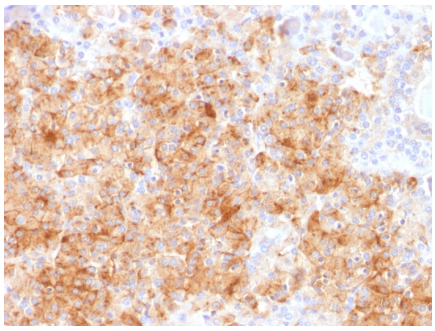

| Applications | Tested Dillution | Note |
|---|---|---|
| Immunohistochemistry (IHC) | 1-2ug/ml | 30 min at RT. Staining of formalin-fixed tissues requires heating tissue sections in 10mM Tris with 1mM EDTA, pH 9.0, for 45 min at 95°C followed by cooling at RT for 20 minutes |
| Western Blot (WB) | 2-4ug/ml | |

## Product Details

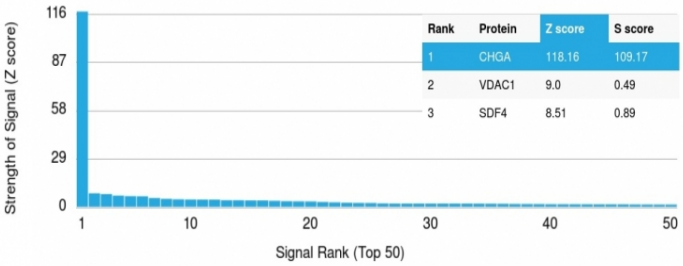

| | |
|---|---|
| **Clone** | CHGA/1731R |
| **Immunogen** | Recombinant full-length human Chromogranin A protein |
| **Host** | Rabbit |
| **Clonality** | Monoclonal |
| **Isotype / Light Chain** | IgG / Kappa |
| **Mol. Weight of Antigen** | 50.69kDa |
| **Cellular Localization** | Cytoplasmic vesicle, Neuronal dense core vesicle, Secreted, Secretory vesicle |
| **Species Reactivity** | Human |
| **Positive Control** | Adrenal gland, bowel, pancreas, pheochromocytoma or parathyroid. PC12 cells. |

**Optimal dilution for a specific application should be determined.*

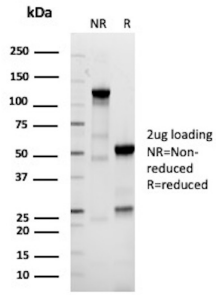

## Product Images for Recombinant Chromogranin A / CHGA (Neuroendocrine Marker) Antibody

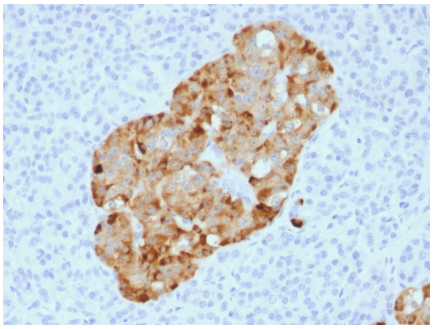

Formalin-fixed, paraffin-embedded human Parathyroid stained with Chromogranin A Rabbit Recombinant Monoclonal Ab (CHGA/1731R).

Analysis of Protein Array containing more than 19,000 full-length human proteinsusing Chromogranin A Rabbit Recombinant Monoclonal Antibody (CHGA/1731R). Z- and S-Score: The Z-score represents the strength of a signal that a monoclonal antibody (MAb) (in combination with a fluorescently-tagged anti-IgG secondary antibody) produces when binding to a particular protein on the HuProtTM array. Z-scores are described in units of standard deviations (SD's) above the mean value of all signals generated on that array. If targets on HuProtTM are arranged in descending order of the Z-score, the S-score is the difference (also in units of SD's) between the Z-score. S-score therefore represents the relative target specificity of a MAb to its intended target. A MAb is considered to specific to its intended target, if the MAb has an S-score of at least 2.5. For example, if a MAb binds to protein X with a Z-score of 43 and to protein Y with a Z-score of 14, then the S-score for the binding of that MAb to protein X is equal to 29.

SDS-PAGE Analysis of Purified Chromogranin-A Recombinant Rabbit Monoclonal Antibody (CHGA/1731R). Confirmation of Purity and Integrity of Antibody.

Formalin-fixed, paraffin-embedded human Pancreas stained with Chromogranin A Rabbit Recombinant Monoclonal Ab (CHGA/1731R).

## Specificity & Comments

Chromogranin A is present in neuroendocrine cells throughout the body, including the neuroendocrine cells of the large and small intestine, adrenal medulla and pancreatic islets. It is an excellent marker for carcinoid tumors, pheochromocytomas, paragangliomas, and other neuroendocrine tumors. Co-expression of chromogranin A and neuron specific enolase (NSE) is common in neuroendocrine neoplasms. Reportedly, co-expression of certain keratins and chromogranin indicates neuroendocrine lineage. The presence of strong anti-chromogranin staining and absence of anti-keratin staining should raise the possibility of paraganglioma. The co-expression of chromogranin and NSE is typical of neuroendocrine neoplasms. Most pituitary adenomas and prolactinomas readily express chromogranin.

## Supplied As

200ug/ml of Ab produced in a mammalian-based expression system. Prepared in 10mM PBS with 0.05% BSA & 0.05% azide. Also available WITHOUT BSA & azide at 1.0mg/ml.

## Storage and Stability

Antibody with azide - store at 2 to 8 °C. Antibody without azide - store at -20 to -80 °C. Antibody is stable for 24 months. Non-hazardous. No MSDS required.

## Limitations and Warranty

This antibody is available for research use only and is not approved for use in diagnosis.There are no warranties, expressed or implied, which extend beyond this description. Company is not liable for any personal injury or economic loss resulting from this product.
